Akhiyon Se Goli Maare Full Video mp4 The pace is frantic, the comedy is manic and the songs are whirling. The movie runs fast and the pace is fast-paced. Akhiyon Se Goli Maare is one of those films that just flows and flows. When I first heard the title of the film, I wasn't particularly excited. Akhiyon Se Goli Maare and all my research had informed me that this was another entry into the Govinda comedy genre. But after watching the trailer, it's evident that this one is a big departure from the others. The entire film, as evident in the trailer, revolves around the Thakur family. Kiran (Govinda) is the adopted son of the Thakur family. He is a scion of the family and is groomed to be heir to the throne. Of course, his father, the head of the family, isn't happy about Kiran being a gangster. But Kiran is determined and doesn't listen to anyone. After getting married, Kiran sets out to marry a girl from a noble family. In that quest, he meets Usha (Raveena Tandon), the daughter of a rich businessman, and Kiran convinces Usha that she should marry him. But what Kiran doesn't realize is that Usha's father, who is a bigwig in the government, has a hand in the match. So the Thakur family prepares to sort out the problem but they don't know that Kiran has a hand in the same plan. What ensues is a bizarre cat-and-mouse game in which all the family members find themselves on the playing field. The Thakur family are a bunch of idiots and they are run by their overbearing butler, Tirth (Shakti Kapoor). Kiran and Usha have to trick the Thakurs, the butler and the rest of the family members in order to get what they want. The entire family is out to stop the grand plan, and Kiran and Usha will have to outwit them all. It's not a happy ending, not a happy-go-lucky, feel-good film. Akhiyon Se Goli Maare is a typical Govinda film. It is about the love of one's life and how he or she can be won over. In the case of this film, Kiran has to win over the 2d92ce491b
