Vanguard, the legendary tactics game of the summer, is now available for download. You can go head-to-head with up to three other people in a two-player squad, or play with your friends via online multiplayer, using an unprecedented number of tactics.

Vanguard also features the ability to create a personal save file with your progress in the game, to return to a previously saved game. Vanguard comes with three different difficulty levels and seven campaigns, all the missions of which are balanced for quick, hardcore action, and easy, casual play. Vanguard is now available for the PC at MacSoftWare.com for \$49.95.

Realm of the Mad King – A Short Game – Scenario 1. You are one of two survivors of the Lair of the Mad King. Your partner and friend, Jack, disappeared during the attack. Your objective is to kill the evil King and other wicked minions. Your skill, cunning and courage are your only weapons. You must rescue a shipwrecked friend, liberate the kingdom and save the people from the tyranny of the Mad King. Realm of the Mad King – A Short Game – Scenario 2. Your mother was seduced by the evil King and the pregnancy was put to death. The evil King's servants kidnapped you and sold you to a slave trader. You are now being transported to the jungles of Nepal to be sold as a female concubine to the noble family. Your task is to escape from the transport ship, find the path to the jungle, kill the evil King, rescue your mother and her child from the evil King's clutches and live to tell the tale. Realm of the Mad King – A Short Game – Scenario 3. You are a brave child of the evil King, who was kidnapped and raised in a stable for horses. The evil King is now preparing to take his young master on a grand tour of his realm, and you must kill your master and his captors before the tour is over. You must escape before the evil King's guards arrive, hide among the crowds, and escape with the master's whereabouts when he is safely back at the palace. Realm of the Mad King – A Short Game – Scenario 4. You are one of the King's personal bodyguards. You are expected to carry out the King's wishes. But things are not as they seem. You are a loyal servant of the King who really
