A week ago, the world of gaming was rocked when the world of gaming pioneers Atari announced they would cease operations. The news was met with controversy, as many feared that the end of Atari were the first drops in a huge gaming tidal wave. We actually found out that after the well-publicized announcement, a group of new gaming conglomerates, which, for reasons of anonymity, we are calling "The Guild", came together to purchase Atari. The Guild has vowed to continue Atari's heritage, and are planning to open up a new gaming studio to continue their mission. The world of gaming, once teetering on the
