This report describes the short-term outcome of total hip arthroplasties (THA) in 2 skeletally mature dogs with feline hyperostosis-like disease. Open revision surgery was performed for both dogs following the removal of fixed cement-retained acetabular and femoral prostheses 6 and 5 years after the implantation of a primary cemented total hip replacement. During surgery, the affected joint of both dogs was thickened and markedly stiffened by an extensive

fibrous callus that appeared to have extended caudal to the femoral canal. Tibial tuberosity mobilization, synovectomy, and limited debridement were performed in both dogs. In 1 of the 2 dogs, a 52-year-old Labrador Retriever, partial excision of the fibrous mass was performed using a bone burr to decrease the size of the lesion, which was then medicated with polymethylmethacrylate. In the other dog, a 21-year-old Labrador Retriever, a secondary plastic acetabular and femoral component was implanted. One month following surgery, the dogs were re-examined and had no signs of lameness. They could walk and trot

normally. Histopathology of the fibrous mass from 1 dog confirmed the presence of high numbers of multin

Heyyy, I've been playing Mount and Blade: Warband for a while now, but recently I figured I should write a review of this wonderful series for those who haven't played it (yet) and for those who are new to the series. Â .Q: How to make a three-state radio button toggle between three possible states?

How can I make my radio button toggle between three possible states, instead of just being on or off? HTML Male Female Unisex CSS

```
div.button-group{ background:
grey; display: flex; flex-direction:
row; justify-content: center; align-
items: center; margin-bottom: 2px;
padding: 10px 0px 0px 0px; border-
radius: 4px; margin-right: 30px;
width: 400px; height: 40px; } A:
```

The solution is actually pretty simple: You can make the radio buttons display as label: Male Female Unisex Alternatively, if you want to use only labels, you can manually set the checked attribute of the
