Here is a video of Level 9 as I install new parts on it to get it running. I still have a motherboard to install with more RAM and a BluRay drive. Since the video is cut short, I will start from the beginning again. Here is a video of the Quad 9, it is well progressed I replaced the motherboard. I have been working on it non-stop for the last week or so. I want to show all the new stuff I have installed. New chassis and lots of custom work. Here is a video of Building 9, it has a few issues, but it's nearly done. I got some windows updates to install before I post this. Here is a video of New S#H Club, I installed more speakers to the cabinet. I also fixed some things in the display section. My good friend Jeff has this thing looking real nice. I am working with a

What's New In?
