The regex \&title= matches a literal &title= substring. The (...) subpattern is a capturing group, so you get the match value in \$match array. The (.*?)# subpattern matches 1 or more characters other than & that are not end of string. The # is a marker that matches a position at the start of the string (or between two symbols when in a quantified or possessive/lookahead/lookbehind expression, as in our case). Share this article on LinkedIn Email Kimi Raikkonen says he would love to stay at Ferrari beyond next year and has no doubts that he will race for the team again, even though he does not know yet if he will stay or go. The Finn's future has been in the spotlight since he received his 2013 driver's world championship medal on Friday. Ferrari has yet to make an official comment on Raikkonen's future but indicated that there is currently no room in the team next year. "We are not talking

Several men and women are habituated to rely on their sense of smell to make a decision. If you choose a perfume with the right aroma that is close to your heart then you should attract the eye of the person you are looking for. You will know that a different product is enjoying the right aroma when you apply it on your skin. So make a point to know about the various scents that are best for you and if you do not have an idea about the best perfume for you, you can go for this list: Best Men's Perfume L'Eau Vitalis This is a calming perfume and it contains rose, lily of the valley, rosemary and other natural herbal scents. It was first introduced by the company L'Occitane in 1996 and many men have fallen in love with it. It soothes the spirit and well balances the man's personality. Aventus Many men are in love with this sandalwood and if you are one of them then you must be attracted to its alluring smell. It is a strong sandalwood and stimulates the sense and gives off a masculine scent. The fragrance also contains other natural elements like pine and cedarwood and as per the reports it is

By Keith McClatchy Correspondent Oddly enough, the Braxton Brewing Company, located at 1833 Freedom Road in the Capital City, is all but forgotten today. Braxton closed in 2011 and the front of the building now has a sign that reads, “Braxton Beercades.” Behind the sign are three beer-bottling machines. The building also has a shiny black sign that reads, “Klube.” The restaurant’s logo still sits on a pedestal outside the building, sporting the words “Braxton Brewpub” above a staff photo. A Denton County resident, who answered a request for comment by phone, said he worked at Braxton for almost 13 years. “We started out as a microbrewery,” he said. “It was a partnership with our local liquor board to get it going.” The brewery/restaurant made its debut in 2004 when the team behind it opened Braxton Brewpub and Restaurant on the northwest corner of 14th Street
